OTTO®

TWO-WAY RADIO COMMUNICATION ACCESSORIES

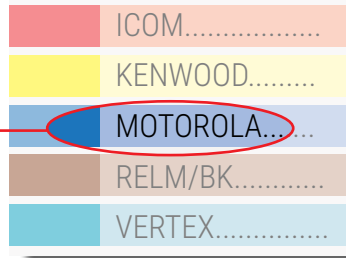

SPEAKER MICROPHONES

HEADSETS

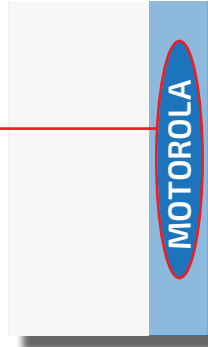

SURVEILLANCE KITS

HOW TO USE THIS BOOK

Step 1: Find radio manufacturer listed on the Index page.

Step 2: Locate radio manufacturer's tab in Pricelist.

Step 3: Find radio model listed on the manufacturer's alpha listing page, with the corresponding OTTO connector.

MOTOROLA	
RADIO	OTTO CONNECT
APX4000	MF
APX6000/APX6000XE	MF
APX7000/APX7000XE	MF
BPR40	MG

Step 4: Refer to connector page listed, and find all OTTO accessories available for your two-way radio.

WARRANTY

OTTO makes the following warranty to purchasers of OTTO's products who buy direct from OTTO and from OTTO's authorized distributors. OTTO warrants that its products will meet the nominal performance criteria stated in OTTO's printed publications and proposals and will be free from defects in material and workmanship. See warranty chart below and accessories listings on radio pages for specific product warranties. If a warranty claim is properly submitted, OTTO will inspect the OTTO product at OTTO's factory and will repair or replace, at OTTO's sole option, the product if defective. To properly submit a warranty claim the Purchaser must obtain OTTO's prior written authorization, must bear all costs of disassembly, and prepay all expenses of shipping the product to OTTO's factory, and must agree to pay all expenses for returning the product from OTTO's factory and reassembly. This warranty voided if any repair or replacement is made or attempted on any OTTO product by anyone other than authorized OTTO personnel at OTTO's factory without prior written consent, if the product has been altered by the customer, or if there has been any misuse or misapplication of the OTTO product, OTTO's only liability under its warranty is as stated above. OTTO makes no warranty (1) to anyone who purchases or acquires any OTTO product from any source other than OTTO or its authorized distributors, (2) to anyone who purchases, acquires or uses any other manufacturer's product in which any OTTO product is a component, (3) or any other manufacturer's products as a component in any OTTO product. OTTO shall not be liable for any incidental or consequential damage caused by the nonconformance of any OTTO product with this warranty.

THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE. (This warranty information is printed on the reverse side of OTTO's order acknowledgements)

Put Your Trust in OTTO Excellence

OTTO two-way communications accessories set the standard for clear communications, reliable performance and exceptional durability when it matters most. Built to exacting specifications to ensure flawless performance in a wide range of conditions, our products are the top choice of military forces, law enforcement agencies, public safety organizations, industrial, retail and commercial customers worldwide.

Proudly designed, engineered and manufactured in the U.S.A., OTTO products are put to the test every day by people who depend on crystal clear communications to do their jobs. Whether you need heavy-duty to lightweight headsets, rugged to low-profile speaker microphones, surveillance kits or intercom systems, you can trust OTTO for all your two-way communications accessories needs.
